

Collaborative Peer Observation for Development

Indicative Readings

Engin, M. & Priest B. (2014) [Observing Teaching: A Lens for Self-reflection](#).

Gosling, D. (2005) [Collaborative Peer-Supported Review of Teaching](#). Chapter 2.

Ramsden, P. (2011) [Six principles of effective teaching in higher education](#).

Dutton, C. & Rapley, E. (2014) [Peer observation and review of teaching in College Higher Education](#).

O'Leary, M. & Price, D. (2016) [Peer observation as a springboard for teacher learning](#).

If you are including a theme, for example, digital learning, include one to two relevant readings which can be sourced from appropriate journals or the internet.

For example:

Thomas, A. & Morris, N. (2017) [Is digital technology changing learning and teaching?](#)

Davies, S., Mullan, J. & Feldman, P. (2017) [Rebooting learning for the digital age: What next for technology-enhanced higher education](#).
