

OBSERVATION OF TEACHING – FORM PO1
To be completed by the colleague observing

Please complete the pink section at the pre-observation discussion:

Name of observer		Number of students on register	
Name of observee		Programme and Level	
Agreed date of observation		Type of session e.g. practical/theory	
Agreed duration of observation			

Observer notes (from the pre-observation meeting):

Please complete the following section during the observation:

Number of students in attendance at the session

Evidence of continual improvement:

Use of evidence-informed approaches and the outcomes from research, scholarship and continuing professional development

Please comment briefly on the particular areas of scholarship/CPD outlined by the observee in the initial discussion (where relevant):

FOCUS AREA FEEDBACK

Please comment on the particular area of focus outlined by the observee in the initial meeting (where relevant):

SUMMARY OF DEVELOPMENTAL COMMENTS (bullet points are sufficient):

What went well?

Suggestions for the future

Will you (the observer) apply any of what you have seen to your own practice? If so what?
